

**SHILLMAN HOUSE  
ON THE WEINBERG CAMPUS  
Priority Reservation Agreement**

A refundable priority deposit of two-hundred fifty dollars (\$250) places you on the Priority Reservation List for Shillman House, an independent living residence for seniors located in Framingham, Massachusetts. Priority numbers will be assigned in the order that Agreements and deposits are received. Your deposit is 100% refundable up to the time of your apartment selection.

- Approximately 6 months after the start of construction, you will be contacted to determine if you still wish to remain on the Priority Reservation List. If so, at that time we will request an additional deposit of five hundred dollars (\$500) to remain on the Priority Reservation List. This deposit is also 100% refundable up to the time of your apartment selection.
- Within 90-days prior to opening, you may select your apartment style and location. Once you have selected your apartment, your \$750 in deposits will become non-refundable, except for health related reasons.
- Your \$750 deposit will be credited toward your first month's rent upon move-in, following a completed application process.
